

CL **Administrative Teams** (See BBG, CJ and ID)

CL

The board advocates the team concept of school administration.

Method of Appointment - The superintendent shall select the members of each administrative team.

Organization - The superintendent shall determine the organization of each administrative team.

Resources - With board approval, the team may use outside consultants and district resources.

Financial - The superintendent may recommend an administrative team budget to the board.

Revised: 3/25/15
